

WE Code

At the Wellness Environment, WE promise to uphold our end of the WE contract by providing our students with an environment best-suited for fostering healthy minds so that healthy bodies can follow.

Date

By signing below you acknowledge, understand, and agree to uphold your end of the WE contract by:

- Voluntary participation in the four pillars of wellness offered by WE with an open and respectful mind
- Creating a healthy space within the WE residence hall & the hall surroundings by keeping drugs, alcohol, paraphernalia associated with drugs and/or alcohol, and their influence, out of the environment
- Enrolling and participating in COMU 001: Healthy Brains, Healthy Bodies in the first semester of living in WE

I have read the goals and objectives of WE and I pledge to work to support the health and safety of myself, the community and its members.

Finally, I understand that I may be removed from my program and/or relocated to another residence hall if I fail to live up to the terms of this agreement.
