Statewide 4-H Volunteer Networking & Training

Saturday, January 25, 2020

Please join us in the new year for a day of experiential learning to bring back to your clubs. Internationally renowned educator and author, Jennifer Stanchfield of Experiential Tools will lead us through strategies and activities to fill your 4-H toolbox. She will also share with us innovative reflection tools to help youth get the most out of their experiences in 4-H. Liven up your club meetings with a fun variety of activities, games, and methods that you will take away from our day together.
