

SAMPLE CURRICULA: Below we show three sample curricula for each of the BS CS and BS CSIS, depending on whether students first declare the major in their first, second, or third semester, showing that it is still possible to graduate within 4 years. The following courses are generally offered in both fall and spring semesters, so there is a lot of flexibility as to when students take what: CS 8, 21, 64, 110, 121, 124, 125, and 292; Math 10, 21, 22; Stat 151, 143.
