**Course Summary:**  
NFS 274 Community Practicum is an opportunity for students to gain professional experience in an area of dietetics that interests them. Students gain the skills to learn, problem solve, think critically and work independently in a real-life work environment under the mentorship of a community supervisor. This course offers the opportunity to learn and demonstrate professionalism.

**ACEND Required Core Knowledge (KRDN):** The foundation knowledge and skills needed for entry-level dietitians met by the course curriculum are.  
KRDN 2.1: Demonstrate effective and professional oral and written communications.  
KRDN 2.8 Demonstrate an understanding of the importance and expectations of a professional in mentoring and precepting others.
