CHARGE OF THE SCRC

Sustainability is the pursuit of ecological, social, and economic vitality with the understanding that the needs of the present must be met without compromising the ability of future generations to meet their own needs.

This subcommittee has the role of maintaining and monitoring the portfolio of academic courses and experiences needed to achieve the Sustainability Learning Outcomes as approved by the UVM Faculty Senate. Serving as a sub-committee of the Curricular Affairs Committee of the Faculty Senate, the committee has a representative of the CAC as an ex-officio member.
