The Marketplace reached 23% Real Food this year!

What is the Real Food Challenge?

The Real Food Challenge is a national organization that provides universities with tools and strategies to support the development of a sustainable, local, fair, and humane food system through responsible procurement decisions.

What's new?

On April 17, 2017, UVM announced it had met the Real Food Campus Commitment to serve 20% Real Food by 2020. UVM set a new goal of 25% by 2020.

The Marketplace's Accomplishments

The Marketplace contributes 4% to the overall real food percentage.

The Marketplace purchases from local producers and vendors including Catamount Farm, Champlain Orchards, Red Hen, and the Intervale Food Hub, among others.

23% → 25%
