

CLERKSHIP AND ADVANCED INTEGRATION ACCOMMODATIONS

*Accommodations in the clinical setting are determined separately from those in the foundations level

1) If a student feels they may need accommodations in the clinical setting, the student should discuss their concerns with the LCOM Student Accessibility Services liaison as early as possible.

jhaverst@uvm.edu,

Living/Learning Building A- room 170,
802-656-7753

2) If a student is eligible for accommodations a formal letter will be written to reflect the student's accommodations and will be sent via email to the student.

3) **Implementation:** the student needs to send the accommodation letter to the appropriate person (see below) via email.

Summative Exam accommodations:

Students are encouraged to provide the accommodation letter to the appropriate person as soon as they know their rotation schedule and *no later than 2 weeks before the scheduled exam*.

UVMHC

Family Medicine	Luke Hebert	Luke.Hebert@med.uvm.edu
