Type of membership desired: (check one)

- Associate – everyone eligible, \$45 fee  
 Regular – overall B average plus three Biology courses (B average) required, \$55 fee

1. What types of activities would you be interested in participating in (i.e., pre-med information sessions, social events, fundraising, biology-related activities, etc.)?

2. Have you ever been involved in scientific research (a summer program, for credit, etc.)? Are you interested in getting research experience?

3. Would you be willing to become involved in a tutoring program sponsored by Tri-Beta?

**Turn this form, along with a copy of your unofficial transcripts, to Dr. Ebert's mailbox in the Biology office – 120A Marsh Life Sciences Bldg.**
