COMPLETE YOUR ENROLLMENT AT UVM

Pay the $495 acceptance fee on or by the date in your letter.

- Pay online (preferred) by e-check or credit card (MasterCard, American Express, Discover or Visa). Visit www.uvm.edu/admitted for enrollment details.

- Send a check or money order payable to the University of Vermont. Any payments postmarked after your deadline will be considered on a space-available basis. (Cash not accepted)

- Notify any other colleges to which you’ve been admitted that you plan to attend UVM.

Once your acceptance fee is paid, you will receive information about orientation, registration, and housing. If your plans to enroll change before your payment deadline, you may request a full refund of the acceptance fee. After your payment deadline, the fee is non-refundable. Send your withdrawal request in writing by email to the Office of Admissions at admissions@uvm.edu.

TRANSFER CREDIT EVALUATION

If you have earned college credit (either as a transfer student or while in high school):

- Our Office of Transfer Affairs will evaluate your previous college-level credit and make the results available at www.uvm.edu/admissions/appstatus.

- Once enrolled at UVM, you’ll meet with an advisor to determine how transfer courses fit into your UVM program. You may also be asked to submit course syllabi and/or additional materials for review.

- If you are enrolled or have completed courses that do not appear on the transcript you submitted with your application, ask the registrar’s office at your current institution to forward an official copy of your final transcript to our Office of Transfer Affairs, 360 Waterman, UVM, Burlington, VT 05405 as soon as possible.

- Information on your final transcript may affect your course selection for the spring.

FINANCIAL AID

If you intend to apply for financial aid, please submit the 2017-18 Free Application for Federal Student Aid (FAFSA) online at www.fafsa.ed.gov. Enter UVM’s school code (003696) so that your FAFSA record is sent to UVM. If you have already completed the 2017-18 FAFSA and did not enter UVM’s school code, you will need to do so at fafsa.ed.gov.

Your financial aid award, once completed, is viewable at uvm.edu/admissions/appstatus. For information on types of aid available and the financial aid process at UVM, please visit the Student Financial Services website at uvm.edu/sfs.

ACTIVATE YOUR UVM NetID

Once you pay your acceptance fee, you should activate your NetID. Follow the steps on uvm.edu/account to complete this process. Have your UVM ‘95’ ID and password available. Once you activate your NetID account, you can set up your UVM email account. With your NetID, you can sign up for housing and register for Orientation, beginning in early October.
REGISTER FOR CLASSES

Your dean’s office or academic department will send you guidelines to follow in selecting and registering for spring semester courses. Starting in mid-November, this information is sent to students who have paid their acceptance fee, and you can begin registering on-line after this time through myUVM. If you are a transfer student, please review your transfer credit evaluation prior to registration.

COME TO ORIENTATION

Orientation is scheduled for Friday, January 12, 2018. You will have the opportunity to meet with an academic advisor, adjust or complete enrollment in spring classes, and ask questions about your degree program. This session is required for first-time college students, and is optional, but recommended, for new transfer students. More details about Orientation will be sent to you after you pay your acceptance fee.

GET TO KNOW CAMPUS

On Friday, January 12, and throughout the weekend, staff and current students offer recreational and social opportunities and a variety of discussion groups designed to help you connect with other students and engage in the University community. In addition, the University holds optional sessions for transfer students to learn more about student and campus life. More information is available at go.uvm.edu/orientation.

SECURE HOUSING

First-time, first-year college students are required to live on campus. The Department of Residential Life will email you details at your UVM account once you pay your acceptance fee, beginning in early November. This communication will include information about completing your housing and meal plan contract. Starting in early October, students can begin to express interest in Residential Learning Communities.

University housing is available, though not required, for transfer students. Transfer students who are under age 20 prior to the first day of classes on January 17, 2018, are guaranteed University housing. Transfers age 20 and older may request University housing, and can expect a high likelihood of receiving it. Transfer students who wish to live in University housing should add their name to the Housing Request list on the Residential Life website.

Move-in day for Spring 2018 is Friday, January 12. Please contact the Department of Residential Life at (802) 656-3434 for additional information. Most transfer students who choose to live in off-campus apartments reside close to UVM. Due to limited rentals in Burlington, we strongly encourage you to research housing options as soon as possible, if not already residing in the area. Please contact the Office of Student and Community Relations at (802) 656-9405 for additional information.

myUVM

Once you have paid your acceptance fee, continuously check myUVM for valuable resources regarding academics, course registration, housing, orientation, and more.
