This permit is not valid after May 31, 2016

OUB-0001

Instructions for Proper Use
- Must be filled out with pen or indelible marker
- Correct day of week must be circled and correspond with correct Date Of Use
- Placards must be displayed face up in complete view on driver’s side dash of vehicle
- Dates must not be crossed out, altered or written over in any manner at any time
- If not marked as void, placards have six Date Fields and are allowed six uses only

Placards not displayed or not filled out in correspondence with the instructions above will be considered invalid, shall constitute a violation and may result in the removal of vehicle by towing and the retrieval of the placard.
