Don’t risk your ability to park on campus.

UVM Department of Transportation and Parking's Rules and Regulations and campus needs and consideration govern who may or may not be eligible to purchase a parking permit and their parking assignment. When applying for a parking permit either by website or office sale, applicants must truthfully declare:

- their current and valid address
- the permit will be for the applicant's use only. Under no circumstances is the permit transferable to another individual.
- the vehicle is registered to the applicant or the applicant's parent/guardian

Willfully falsifying information in any transaction including, but not limited to, registering or attempting to register vehicles not in accordance with the guidelines stated on the permit application shall constitute a violation.

Parking permits are the property of the University of Vermont. Permits may not be remanufactured, resold, altered or photocopied under any circumstances.

Violations of rules and regulations, whenever discovered, may result in:

- fines and/or towing
- forfeiture of purchased parking permits without refund
- suspension of eligibility to purchase a parking permit

A referral to the Center for Student Ethics and Standards and/or UVM Police Services may also be made and additional consequences may occur.

THE PROBLEM WITH THE WORD "VISITOR"
The term "visitor" is defined as any person who is not registered or pre-registered for classes and is not employed or temporarily employed by the University. Student vehicles are not allowed to park in areas designated for visitors only.

Vehicles may be assigned to students regardless of whether or not their vehicle is registered for campus parking and may be cited. This is strictly enforced regardless of payment, purpose, time of year or driver (including family members or friends) at the time of the citation. Visitor areas are identified on signs at entrances of parking lots and on stickers affixed to meters and paystations.

Short-term parking options for students: Your parking permit is NOT honored as payment at a meter or in a pay-by-space area. Please assure that you are eligible to park in the space (i.e. it is not for "visitors only") and provide payment.

Meters: Students may park in yellow (30 minutes) and green domed meters ONLY. Gray domed meters are for visitors only. Regardless of whether or not a valid permit is displayed, meters require payment.

Gutterson Paystation: The pay-by-space area (numbered spaces only) located at the Gutterson Garage on the Athletic Campus provides the only hourly parking option for students, and may be used at any time. Payment is required weekdays from 7:00 am-3:30 pm regardless of whether or not a valid permit is displayed.

Replacement of Permit/Temporary Permits: Your permit may be transferred to a different vehicle as long as it is a vehicle you are eligible to register and we are informed of the vehicle information. Permits must be displayed properly. If a permit is damaged, we offer free replacements as long as you return the permit, or parts thereof. If you do not return a permit, there will be a $10 replacement fee and you will be asked to sign a form indicating you are no longer in possession of the previously held permit. Free short-term permits are available in cases of temporary loss of your permit or use of an alternate vehicle.

Motorist Assistance: In coordination with Police Services, our department offers free jumpstarts, vehicle lockouts, and lock de-icer for individuals parked on campus. Services may be requested by contacting us at (802) 656-8686 during business hours. After hours, call Police Services at (802) 656-3473.

Gutterson Garage and Lot, anytime EXCEPT between 9am and 1pm, Monday-Friday:
- All valid, non-reserved, non-numbered parking spaces inside the walls of the garage.
- Unenclosed, non-numbered parking on the middle level, top surface level and top deck of the garage.

Avoid nearby 'Faculty/Staff' lots and pay-by-space area around the western wall on the top floor (numbered spaces only). Your permit is not valid in either area during restricted hours.

Overnight parking is prohibited on the top deck of the Gutterson Garage from November 15 through April 1 between 11:00pm and 7:00am.

Catamount West Lot, anytime EXCEPT between 9am and 1pm, Monday-Friday:
Near UVM Police Services. Avoid nearby 'Faculty/Staff' only during restricted hours (7 am until 3:30 pm).

Your Commuter Evening permit also allows you to park in lots designated “Faculty/Staff” during non-restricted hours (weekdays between 3:30pm and 7:00am, and weekends).

This exception does NOT include lots which are designated "Faculty/Staff" in combination with "Resident". You must move your car from a Faculty/Staff lot before 7:00am to avoid getting a citation.
