UVM'S BEST KEPT SECRETS
And we're letting them out!

ON CAMPUS:

Feel Good: With a donation of $4, get a gourmet grilled cheese and help stop world hunger.

Play Pool at the Davis Student Center: Enjoy free games of pool on the first floor of our new student center and on your off turn, check out the awesome **tropical fish tank** in the same room.

Watch the sunset atop William's Hall: Climb up the fire escape to discover the beauty of a Burlington sunset and an incredible view of Lake Champlain.

Play Broomball: Run around on the ice and try to hit a ball into the net, or try another one of the numerous **intramurals** we have at UVM!

Study at the Dana Medical Library: Part of the Med School but open to all students, this is one of the quietest places on campus and somehow has the power to make you focus.

Ride the Off Campus bus: Last drop off on the weekend is 2:30 AM. Want more? The city bus in Burlington and neighboring towns is free with your UVM ID.

Watch movies for free: At Billings Lecture Hall, you can watch movies, some that haven't even come out on video yet.

Avoid Laundry on Sundays: enough said.

OFF CAMPUS:

Hike Mt. Philo: Great family hike, about a mile climb. Enjoy great stops along the way to check out the views. Not sure about making it all the way? You can also drive to the summit.

Get Breakfast: Check out **Skinny Pancake** for crepes**, Henry's Diner** for an old school feel, or **Penny Cluse** for a cozy experience (try the banana pancakes).

Go see Live Music: Go to **Higher Ground** in South Burlington to see a range of musicians from the **Wu-Tang Clan** to **Hanson** and some great local bands in the mix.

Go to Kountry Kart Deli: Best place to get a sandwich at 3 AM. Hands down.

Guys, Get a Haircut: Check out **Big Leagues** in South Burlington for the opportunity to watch big screen TVs while getting a trim. Look forward to a complimentary head massage.
