### PRACTICUM/INTERNSHIP EXPERIENCE INFORMATION

For K-12 school sites only, are you available to host a student for (check all that apply):

Practicum (approx. 4-5 hrs per week, Spring only)  Internship (approx. 20-24 hrs/week across year)\*

*\*Note: For clinical mental health sites, it will be assumed that this form is being completed as an internship site*

Responsibilities of a practicum or internship student (please differentiate internship vs. practicum responsibilities):  
(Briefly list the responsibilities a practicum/internship student would be expected to assume in your school/agency and identify client population(s) you serve)

Graduate interns will integrate their knowledge and counseling skills by working with Middlebury College students under careful supervision. Interns will be trained in and provide services via telehealth and in-person as college policy and health guidance dictate.

Middlebury College Counseling interns will:

- Meet with students for one-on-one counseling sessions and build a robust caseload.
- Run groups on campus.
- Conduct crisis intervention.
- Refer students to appropriate resources.
- Participate in meetings and case consultations with other clinicians and staff.
- Have the opportunity to attend professional development trainings.

Through direct experience and close supervision, interns will:

- Develop clinical counseling skills and integrate counseling theory.
- Learn how to integrate social-justice oriented practices in their work with students and learn more about the role of power and oppression on a college campus.
- Learn more about human development specific to the college population.

- Learn how to identify an individual's challenges and cater interventions accordingly.
- Learn to identify and address ethical concerns.
- Learn about social and family systems and how they impact a student.
- Learn more about the role of counseling within higher education institutions as a whole.
- Experience what it's like to be a professional counselor.
