Note from contributor: I'd like a photo of Erastus Loveland's stone (1793-1882) and that of his wife Lucy Bradley Loveland (1794-1866). I'm helping one of their descendants join the Mayflower Society. Thank you!

Instructions for Photographers:
If you can photograph this monument, please follow the link below to view all photo requests in Old Burt Cemetery. Once you have photographed the monument, return to that page and click on the 'fulfill' link next to the name you photographed and follow the onscreen instructions to add your photo. Please be sure to use this special 'fulfill' link rather than the 'add a photo' button which is found on the memorial page. You will receive special credit for all photo requests fulfilled in this manner. If you think that you will be able to visit the cemetery in the next fourteen days, you can claim the photo request by clicking the 'claim' button next to the name. Claiming a request alerts other volunteer photographers of your intent to fulfill that request (thus avoiding duplicated effort).
