Workshop Location (Check only 1):

Manchester, ME     Durham, NH     Burlington, VT

**I need a parking permit for the workshop (\$6, NH only).**

**I want a 2011/12 New England Greenhouse Floriculture Guide. (\$30)**

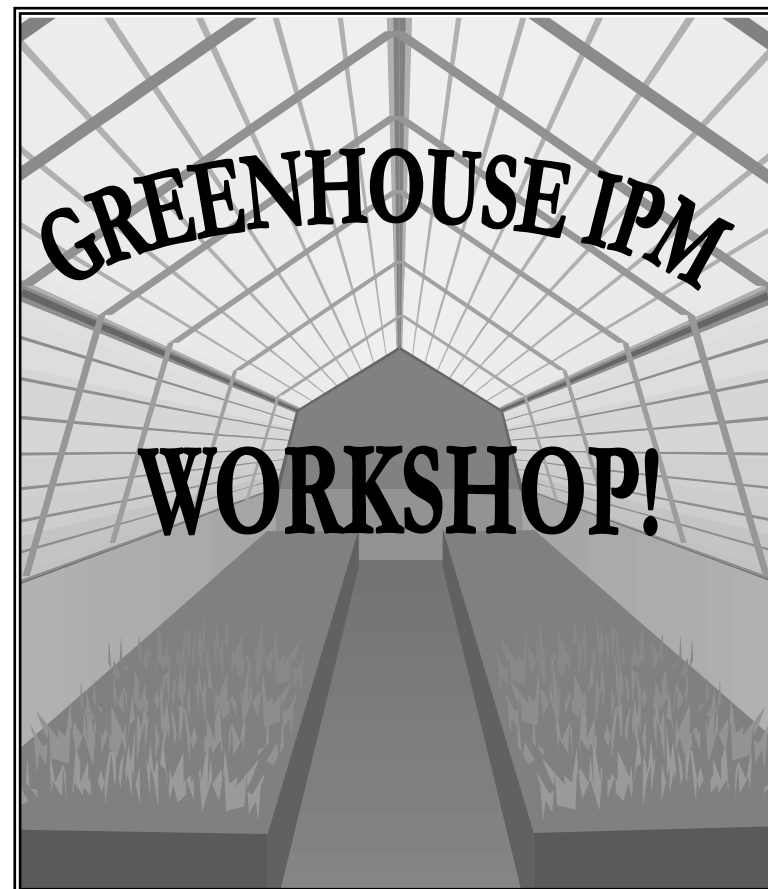

Persons from all 3 states are welcome to attend any of the locations. All registrants will receive notification of their place in the workshop and a map with directions.

### **Send registration and check to:**

Cheryl E. Frank, Entomology Research Lab.  
661 Spear Street, Burlington, VT 05405-0105

**QUESTIONS?** Call Cheryl E. Frank, Univ. of VT, 802-656-5434  
or email her at [cfrank@uvm.edu](mailto:cfrank@uvm.edu)

**SORRY, NO REFUNDS!**

## **Refining IPM to Reduce Pest, Disease & Nutrient Problems**

*January 10, 2011    Manchester, ME*

*January 11, 2011    Durham, NH*

*January 12, 2011    Burlington, VT*

## PROGRAM

*“Lectures are minimized, hands-on experiences maximized”*

This year's **SPECIAL GUEST:**

**Ronald Valentine, Biobest Biological Systems, Ontario Canada**  
**Producer and Distributor of Biocontrol agents for Greenhouses**

- 8:30 - 9:00    **Registration & Coffee**
- 9:00 - 9:15    **Welcome**
- 9:15 -10:30    **So you've diagnosed your nutrient and disease problems... What do you DO about it? \***  
Learn the finer points of managing your nagging nutrient and disease problems through IPM.
- 10:30 -11:00    **Coffee Break**
- 11:00 -12:15    **How to get started with Biological Control and the Finer Points of Natural Enemy Releases...How to increase EFFECTIVENESS of your biological control program\***  
Learn the tricks of handling biological control agents to ensure they survive and work for you.
- 12:15 - 1:00    **Lunch**
- 1:00 - 2:00    **Grower to Grower Discussion: *Personal Experiences with IPM***
- 2:00 – 3:00    **The A B C's of Pesticide Safety.**
- 3:00 – 3:30    **What's New for Greenhouse IPM in Our Region?** Learn what scientists in your region are doing that will improve IPM and energy efficiency for you. Also, learn what's in, what's new, and what's out with pesticides and biocontrols!

### Give Out Door Prizes!

\* Small-group concurrent sessions.  
Live samples and microscopes will be available.

**5 Pesticide Credits Awarded**

## GREETINGS!

The Tri-state Greenhouse IPM Program is a collaboration among growers and specialists from Maine, New Hampshire and Vermont. This year's workshops offer sessions on nutrient deficiency/disease management and new biocontrol systems. We will also share recent results of research on energy conservation and IPM underway in our area.

These workshops are for greenhouse growers of all types, extension specialists and professional pest managers. Growers of all experience levels will learn something new.

**Margaret Skinner, UVM**  
Entomology Research Laboratory  
Burlington, VT 05405  
Tel: 802-656-5440

**Alan T. Eaton & Brian Krug, UNH**  
Dept. of Plant Biology  
Durham, NH 03824  
Tel: 603-862-1734

**James Dill & Bruce Watt, Univ. of ME**  
Pest Management Office  
Orono, ME 04473-1295  
Tel: 207-581-2967

***WE HOPE TO SEE YOU!***

**Share this brochure with your staff and colleagues.**

## LOOK WHAT YOU'LL GET OUT OF THIS WORKSHOP!

*How to **Release biocontrol agents** to increase **SUCCESS!***

*How to **MAXIMIZE** on **IPM!***

*How to **ID** pests, biocontrols, nutrient problems and diseases!*

*How IPM **WORKS** for other growers!*

**Even if you can't attend the workshop, PLEASE complete the enclosed survey and return it so your voice can be counted.**

These workshops are made possible with the support of many federal, state, university and corporate sponsors. THANK YOU!
