

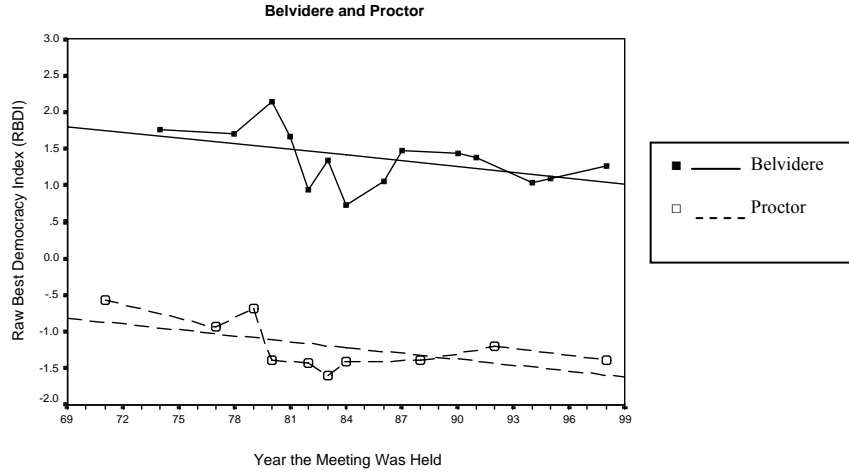

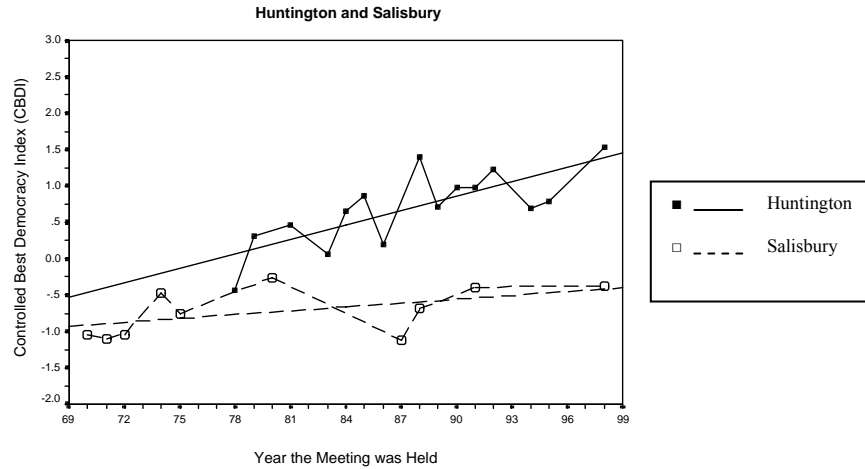

FIGURE XI-G

Real Democracy: The Best Towns, the Worst Towns*

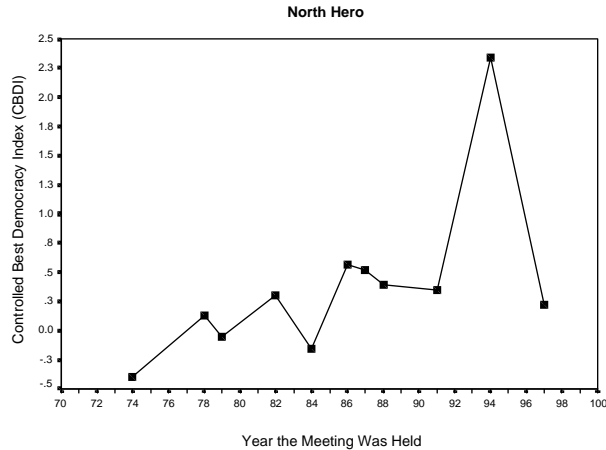

Plot 1 Raw Best Democracy Scores (RBDI) 1970-1998

Plot 2 Controlled Best Democracy Index (CBDI) 1970-1998

Plot 3 Controlled Best Democracy Index (CBDI) 1974-1997

*Proctor was actually the worst town on the CBDI (plot 2) but since it was displayed on plot 1 as the worst town on RBDI, I substituted Salisbury which was the 2nd worst of the 55 towns.
