

TELL US ABOUT YOURSELF

We are putting together a Class of 1978 Reunion directory that gives a snapshot of our lives 25 years after graduation. We hope you'll also provide a recent photograph of you and/or your family. The directory will be made available to all who attend the reunion and may also be available for purchase (at cost) by those who want to attend but can't.

We invite you to write your own description at the end of this page. Or, send us your answers to as many of the questions below as you want and we'll write it up for you. If you include your e-mail address, we will try to get your permission before printing it. (Just give us plenty of lead time.)

Please e-mail your biographical information and photograph to Jackie@smith.net or send by snail mail to Jackie Smith, 38 Palmer Lane, Jericho, VT 05465.
