

Call for Proposals for UVM Graduate Student Travel 2002

The newly established Vermont Genetics Network (VGN) is supported by a \$6M, three year, NIH Biomedical Research Infrastructure Network Grant. The VGN is a collaboration among the University of Vermont, Johnson State College, Middlebury College, St. Michael's College and Norwich University, to develop science infrastructure and also the careers and training of faculty and students in science. Information on how you can participate in this program is listed below. You may also visit our website www.uvm.edu/~biology/vgn for more information about our activities.

Travel Support

UVM genetics/biomedical Graduate Students are encouraged to apply for:

- Travel support
- Application forms are on our website, and checklists are given below
- **Application deadline is May 1, 2002**

Eligibility Requirements

- UVM Genetics/Biomedical Graduate Students

Travel Awards

- There will be 10 travel awards made for 2002 (approximately \$1,000 each)
- Use of the funds must be outlined and justified as part of the application
- We anticipate similar numbers of awards will be made in 2003 and 2004

Application Review

- A committee of UVM faculty members will review the applications and make their recommendations to the VGN Steering Committee.
- Notification of the outcomes of the applications should be available by May 20, 2002

CHECKLIST

For Graduate Student Travel Support

- Application page with signatures
- Abstract of work to be presented (conference only)
- Budget
- Description of conference or workshop and how attending impacts the applicant's research
- Curriculum Vitae (2 pages)
