

# **Call for Proposals for 4 Year College Undergraduate Student & Faculty Travel 2002**

The newly established Vermont Genetics Network (VGN) is supported by a \$6M, three year, NIH Biomedical Research Infrastructure Network Grant. The VGN is a collaboration among the University of Vermont, Johnson State College, Middlebury College, St. Michael's College and Norwich University, to develop science infrastructure and also the careers and training of faculty and students in science. Information on how you can participate in this program is listed below. You may also visit our website [www.uvm.edu/~biology/vgn](http://www.uvm.edu/~biology/vgn) for more information about our activities.

## **Travel Support**

Johnson State College, Middlebury College, St. Michael's College, and Norwich University Undergraduate Students and Faculty are encouraged to apply for:

- Travel support
- Application forms are on our website, and checklists are given below
- **Application deadline is May 1, 2002**

## **Eligibility Requirements**

- Faculty and Students at Johnson State College, Middlebury College, St. Michael's College, and Norwich University
- Disciplines include mathematics, computer science, physics, chemistry, and biology

## **Travel Awards**

- There will be 20 travel awards made for 2002 (approximately \$1,000 each)
