

# FIND-A-DOCTOR NEAR YOU

Every one of our plans provide access to the largest network of providers in Vermont and the U.S. and to hospitals in more than 190 countries and territories around the world through the Blue Cross Blue Shield Global Core® Program.

## Steps to finding a provider in Vermont and contiguous counties

1. Visit [bluecrossvt.org/find-doctor](https://bluecrossvt.org/find-doctor)
2. Click "Find a Doctor near you".
3. Once there, you may search by name or by provider type.
4. In the drop-down box marked "Network," select BCBSVT Network Providers.

  - Scroll down the page to refine your search.
  - You can search within a certain distance.
  - Look for providers of a certain gender or those who speak a certain language.

5. After your search results appear, find the printer icon and select "Print Search Results Directory" to create a printer-friendly file you can print or save to your computer.

## Steps to finding national providers and providers around the globe when traveling outside the U.S.

Use the National Provider Hospital Finder to find national providers, hospitals, and other providers in your plan's network. We encourage you to use this tool, rather than relying on out-of-state providers to advise you of whether or not they are in the network.

1. Visit [provider.bcbs.com](https://provider.bcbs.com)
2. Click "Choose a location and plan"
3. Enter an address, city, or zip code
4. Type in the first three letters (your alpha prefix) that appears in front of your member number on your ID card.
5. You can search by name, specialty, or type.

## How to locate a Vision network provider
